FOR IMMEDIATE RELEASE

**Rochester, March 16, 2020:**

## **Coronavirus notice from the City of Rochester**

**The City of Rochester is taking action to aid in preventing any spread of the coronavirus at the city government level. It is not a time for panic, but a time for diligence.**

**The March 24<sup>th</sup> City Council meeting is canceled. All other city meetings for the next 30 days have also been canceled except for a limited Board of Public Works and Safety meeting with only two agenda items (claims and payroll), there will be no department reports or public requests.**

**In 30 days, the situation will be assessed to see if standard practices may be resumed or if further actions are necessary.**

**For information concerning hygiene efforts or prevention and treatment of the virus, please contact the Fulton County Health Department or State of Indiana Department of Health and Human Services or visit their websites.**

**Again, let's not panic, let's be diligent.**

**Thank you.**

**Mayor Denton**
