

**NOTES FROM THE MAYOR'S DESK
COVID-19 VIRUS**

AS OF THIS WRITING WE HAVE SEEN MUCH ACTION TAKEN IN OUR COUNTRY IN AN EFFORT TO CONTAIN AND STOP THE SPREAD OF THE COVID-19 VIRUS. THIS IS ALL GOOD AS I AM A BELIEVER IN BEING PRO-ACTIVE REGARDING ANY PROBLEM SITUATION WE INCUR IN LIFE BE IT IN OUR WORK OR PERSONAL LIFE.

I AM NOT ONE TO LET FEAR COMSUME ME NOR AM I RECOMMENDING ANY OF YOU LET THAT HAPPEN. WE NEED TO TAKE ALL THE PRECAUTIONS WE CAN TO KEEP FREE FROM THE VIRUS AND PROTECT OUR LOVED ONES FROM THE SAME. WE HAVE ALL SEEN THE RECOMMENDATIONS FROM THE HEALTH PROFESSIONALS CONCERNING HYGENE (WASH YOUR HANDS VIGOURSLY SEVERAL TIMES DURING THE DAY, TEN TIMES OR MORE IS NOT TOO MUCH). USE PLENTY OF GOOD OLE SOAP AND WATER AS WELL AS HAND SANTIZER. STAY OUT OF CROWDS (THE MAGIC NUMBER IS NOW NO MORE THAN FIFTY BUT THAT COULD CHANGE). KEEP YOUR "SOCIAL SPACE" TO A MINIMUM OF SIX FEET. AND OF COURSE, IF YOU ARE ILL STAY AT HOME.

AT THE CITY WE HAVE VIRTUALLY CANCELED ALL OF OUR REGULAR MEETINGS FOR THIRTY DAYS AT WHICH TIME WE WILL RE-EVALUATE FOR A RETURN TO OUR REGULAR ROUTINE OR CONTINUED RESTRICTIONS.

PLEASE DO NOT PANIC. MY GOOD FRIEND PASTOR RICK SMAIL SAID IT BEST IN HIS ARTICLE ON MARCH THE 13TH IN THE ROCHESTER SENTINEL, WHEN HE POINTED OUT THAT THIS COUNTRY HAS FACED ADVERSITY MANY TIMES IN THE PAST AND WE HAVE ALWAYS PREVAILED. THIS TOO SHALL PASS, JUST BE PRO-ACTIVE.

MAYOR TED
