Theodore J Denton, Mayor

Shoda D. Beehler, Clerk-Treasurer

Bulk leaf pickup will begin on October 3, 2022. Please be sure to place the leaves at the edge of the grass and NOT in the street.

Beginning on October 3, 2022, the bulk leaf pickup will be provided systemically by quadrant. The map shown above illustrates each quadrant and also identifies them by number (1, 2, 3, or 4). The crews will move through a quadrant until the entire quadrant is complete before moving to the next quadrant. Any leaves placed out for pickup after the crew has completed the quadrant will be left until the next scheduled pickup for that quadrant. Any questions, please feel free to contact Street Superintendent, Duane Border at 574-223-4740.
